UFT Chapter Leader and Delegate Elections

1. The UFT will announce guidelines for chapter leader and delegate elections this spring. The elections will be held in May or June.
2. Each chapter must have an election committee. Election committee administers the election according to UFT guidelines. The chapter leader or anyone running can not be on the committee.
3. Election committee should have members from different grades, titles, departments to oversee nominations, voting, and counting. If you are running make sure you have an ally on the committee
4. Every chapter member votes for chapter leader. Only teachers vote for school based delegate(s).
5. Non-teachers (guidance counselors, secretaries, paraprofessionals, OTs, PTs, nurses, etc.) also elect their own delegates and chapter leaders in city-wide "functional chapter" elections.
6. Notification of nomination period and election must be posted on your chapter's UFT bulletin board. We strongly suggest all notifications be distributed in member's mailboxes and sent out via chapter email, if your chapter leader is using one.
7. If your chapter leader has not called for election by May 1st, ask him/her when it is. If an election is not called then get in touch with your UFT Borough Representative:

Brooklyn: 718-852-4900

Bronx: 718-379-6200

Manhattan: 212-598-6800

Queens: 718-275-4400

Staten Island: 718-605-1400
